

Honest Eulogy

Logline

Honest Eulogy gives a second chance to comment and learn about the life of a loved one or national treasure, at a time when our emotions are not so raw. This gives us the opportunity to be more honest and say things that may not have been appropriate at the funeral.

The format is adaptable enough to provide entertainment on a radio or TV platform and could involve celebrities as well as the general public.

The Jeopardy of Honest Eulogy:

- What will be highlighted that maybe shocking?
- Will we learn anything new about the deceased?
- Will my perception of the deceased be changed?
- Is my view of the person presenting the eulogy going to change?
